Law students represent the Moot Court

The students of the College of Law at Al Ain University of Science and Technology, Al Ain and Abu Dhabi Campuses, presented the Moot Court with highly efficient performance, which is considered a simulation of a real trial, which is a deviation from the typical style in the academic process. The importance of the Moot Court lies in enabling students to acquire the necessary skills to practice law in addition to the skills required for judges.

The Moot Court was attended by Prof. Ghaleb El Refae, AAU President, Dr. Amer Qasem, AAU Vice President, AAU Deans and Deputy Deans, academic and administrative staffs and AAU students. In addition to, representatives from the training institutions and guests from outside the university.

It is worth mentioning that, the College of Law at Al Ain University of Science and Technology is keen in developing its students by providing them with the practical skills necessary for them in their work life, and also by organizing internal and external training courses in various legal fields, such as; the penal law, the law of criminal procedure, the law of civil procedure, and other

laws.
