## "Ramadan Kareem" initiative on Zayed Humanitarian Day

The Deanship of Student Affairs (Abu Dhabi Campus), in cooperation with the Abu Dhabi Pride Volunteer Team, and under the supervision of Mr. Ahmed Al Balushi, a member of the Advisory Council of the Deanship of Student Affairs, organized an initiative to distribute charitable parcels to needy families, in which a group of volunteer students participated.

This initiative comes from Al Ain University's keenness to promote the march of goodness and giving during the blessed month of Ramadan, coinciding with Zayed Day for Humanitarian Action, which falls on the nineteenth of Ramadan each year.
