Open health day at Al Ain University

   The Deanship of Student Affairs at Al Ain University (Abu Dhabi Campus) organized an open health day in cooperation with Mediclinic, Millennium Hospital, and Al Jaber Optical Center, out of Al Ain University's keenness to enhance the quality of life of students and take care of their health.

The open day included conducting various medical examinations, such as measuring blood pressure and cholesterol levels and checking blood sugar levels, in addition to providing medical consultations to enhance the awareness aspect in the field of public health among students, and specialists, in addition to distributing materials, providing free eye examinations, educational and symbolic gifts for participants.
