Dean's Message

The College of Law received accreditation from the Ministry of Higher Education and Scientific Research in 2007. The College has two campuses: in Al Ain and Abu Dhabi. The College of Law offers a distinguished academic program leading to the degree of bachelor of law as well as Master programs : Private law, Public law and Criminal science. In 2015 the College obtained an international accreditation from the French High Council for Evaluation of Research and Higher Education. Thus, the college is the first - and yet the only - college of Law in the United Arab Emirates to obtain such an international accreditation.

Such an achievement was only possible due to the contribution of all faculty with many years of academic and practical experience. Indeed, The expertise of the academic staff provides a distinguished environment for contemporary legal education through active learning, well –equipped, classrooms, and up- to- date library.

The international accreditation attest of the ability of the college to offer high quality academic programs. It also provide the college with new opportunities to develop cooperative relationships with academic institutions and organizations connected to the legal field.

The Deanship of the college consider the international accreditation of the Bachelor of Law Program as a major step in the development of the program according to internationally recognized academic standards.

It is our firm belief that our graduates will be able to contribute to the sustained development and welfare of the country and serving its needs in the field of law.
